- The PATIENT is responsible for his/her actions if treatment is refused or if pre-operative instructions are not followed.
- It is the PATIENT'S responsibility to provide transportation to and from the BONE AND JOINT SURGERY CENTER OF NOVI appropriate to the medications and/or anesthesia to be given, and according to pre-surgical instructions.
- It is the PATIENT'S responsibility to follow the post-operative instructions given by the physician(s) and/or nurses. This includes instructions regarding post-operative appointments.
- It is the PATIENT'S responsibility to contact the physician if any complications occur after discharge.
- It is the PATIENT'S responsibility to assure all payments for all services rendered are on a timely basis, and ultimate responsibility is the patient's, regardless of insurance coverage.
- It is the PATIENT'S responsibility to provide financial and/or insurance information regarding who will be responsible for the bill, including current address and authorized contact information.
- It is the PATIENT'S responsibility to notify the administration of the BONE AND JOINT SURGERY CENTER OF NOVI if the PATIENT thinks their right(s) have been violated or if the PATIENT has a significant complaint.
- It is the PATIENT'S responsibility, and those accompanying the PATIENT, to respect the right of other patients and the BONE AND JOINT SURGERY CENTER OF NOVI personnel, and to follow the center's policies.

*** If the patient's condition necessitates, their REPRESENTATIVE will be informed of these rights and responsibilities.**

BONE AND JOINT SURGERY CENTER OF NOVI PEDIATRIC BILL OF RIGHTS

All children have a right to cry, laugh or to be made comfortable if it helps them to feel better. They also have the rights to:

- Ask to have a parent or another adult stay with them during their examination.
- Tell their caregiver when and where something hurts.
- Ask questions if they do not understand a medical procedure or what is happening to them.
- Ask for something to ease their pain.
- Listen to music, play a game or read a book to help distract them during medical procedures.
- Have an adult with them when they ask, except when the presence of another person would, or may, impact their care and cause a negative outcome.
- To have a schedule for their tests and procedures that doesn't keep them hungry or thirsty any longer than necessary.
- And always . . . to be called by their name.
